reception@blackriver-matheson.com

Application for Consent Under Section 53 of the Planning Act

Note to Applicants: In this form the term “subject” land means the land to be severed and the land to be retained.

Completeness of the application

The information in this form must be provided by the applicant is indicated by **black arrows** on the left side of the section numbers. This information is prescribed in the schedule to Ontario Regulation 197/96 made under the **Planning Act**. The mandatory information must be provided with the appropriate fee. If the mandatory information and fee are not provided, the Township will return the application or refuse to further consider the application until the information and fee have been provided.

The application form also sets out other information that will assist the Township and others in their planning evaluation of the consent application. To ensure the quickest and most complete review, this information should be submitted at the time of application. In the absence of this information, it may be possible to do a complete review within the legislated time frame for making a decision. As a result, the application may be refused.

Submission of the application

- One application form is required for each parcel to be severed.
- The applicable \$800 fee as indicated by the Township’s Fee Schedule.
- The completed application form and sketch are required by the Township. Copies will be used to consult with other ministries or agencies that may have an interest in the application.

Measurements are to be in metric units.

For help

To help you understand the consent process and information needed to make a planning decision on the application, refer to the “Application Guide Q&A”. For more information on the Planning Act, the consent process or provincial policies please see the “Guide to Planning Applicants” and the “Comprehensive Set of Policy Statements”.

You can also call the Township office at (705)273-2313 and ask for the Planner.

Please Print and Complete or (✓) Appropriate Box(es)

6. History of the Subject Land

► **6.1** Has the subject land ever been the subject of an application for approval of a plan of subdivision or consent under the Planning Act?

No Yes Unknown If **yes** and if **known**, provide the Ministry's application file number and the decision made on the application.

6.2 If this application is a re-submission of a previous consent application, describe how it has been changed from the original application.

► **6.3** Has the subject land ever been the subject of an application for approval of a plan of subdivision or consent under the Planning Act?

No Yes If **yes**, provide for each parcel severed, the date of transfer, the name of the transferee and the land use.

7. Current Applications

► **7.1** Is the subject land currently the subject of a proposed official plan or official plan amendment that has been submitted to the Minister for approval?

No Yes Unknown If **yes** and if **known**, specify the Ministry file number and status of the application.

► **7.2** Is the subject land the subject of an application for a zoning by-law amendment, Minister's zoning order amendment, minor variance, consent or approval of a plan of subdivision?

No Yes Unknown If **yes**, and if **known**, specify the appropriate file number and status of the application.

8. Sketch (Use the attached sketch sheet) To help you prepare the sketch, refer to the attached samples sketch.

► The application shall be accompanied by a sketch showing the following:

- the boundaries and dimensions of the subject land, the part that is to be severed and the part that is to be retained
- the boundaries and dimensions of any land owned by the owner of the subject land and that abuts the subject land the distance between the subject land and the nearest township lot line or landmark, such as a railway crossing or bridge
- the location of all land previously severed from the parcel originally acquired by the current owner of the subject land
- the approximate location of all natural and artificial features on the subject land and adjacent lands in the opinion of the applicant may affect the application, such as buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells and septic tanks
- the existing use(s) on adjacent lands
- the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public traveled road, a private road or right of way
- if access to the subject land is by water only, the location of the parking and boat docking facilities to be used
- the location and nature of any easement affecting the subject land
